

Route Analysis - Barrio Nuevo 24

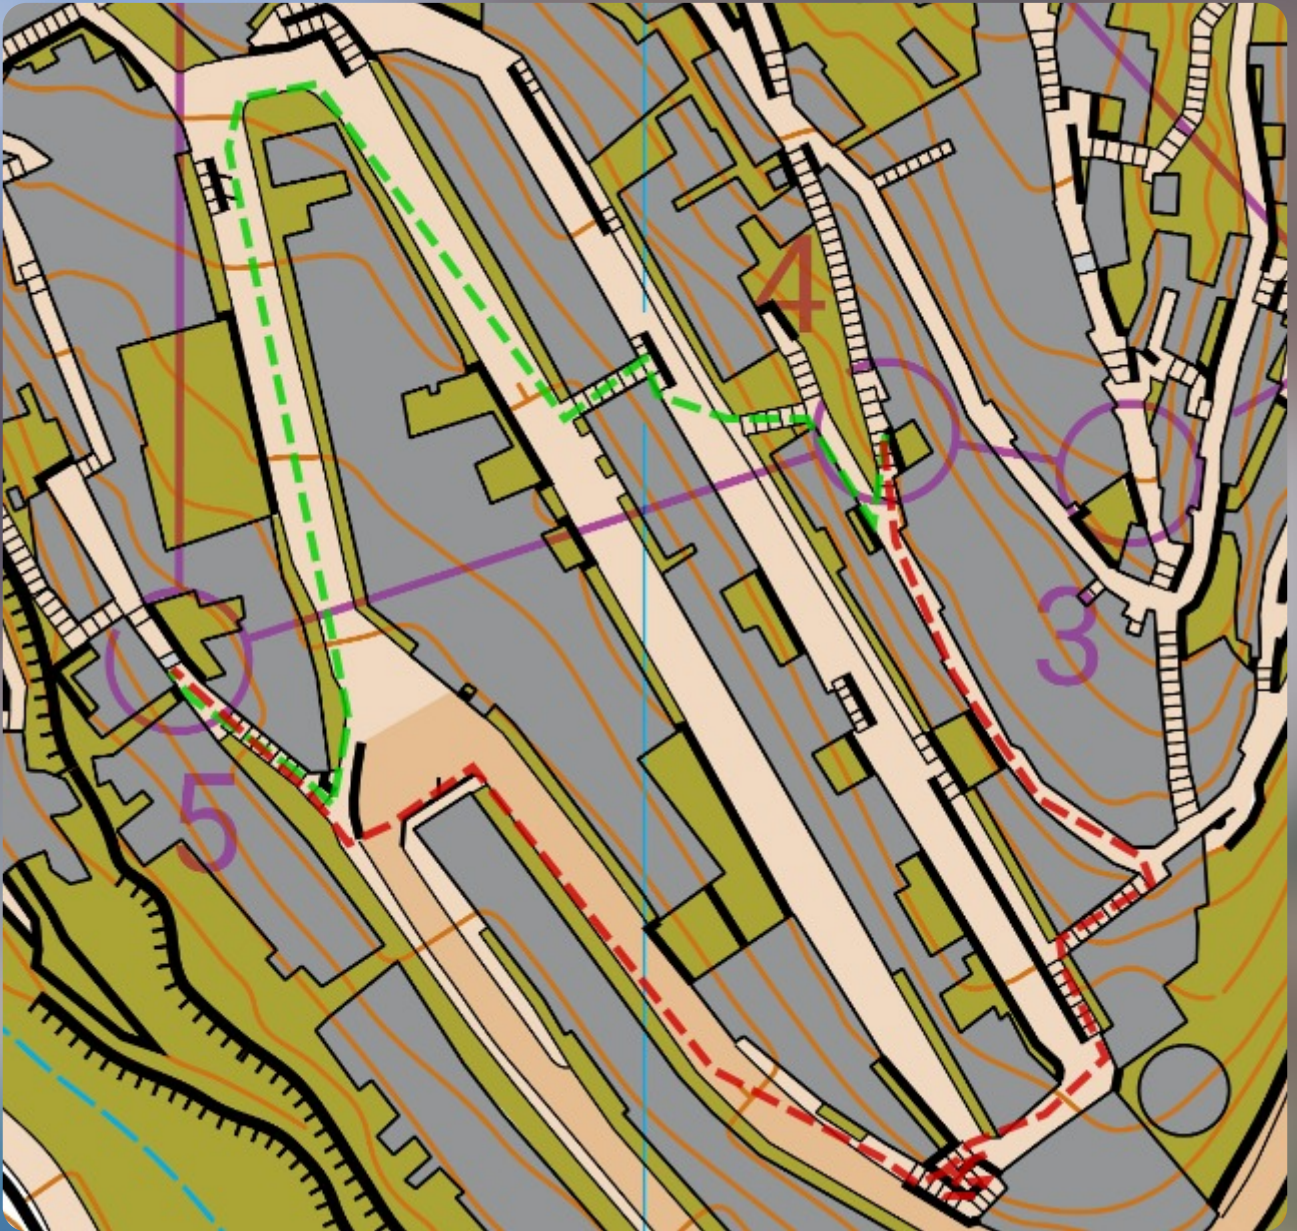

250m 333m 319m

Despite being longest choice, red may be the fastest and best route as it enables time to read the course

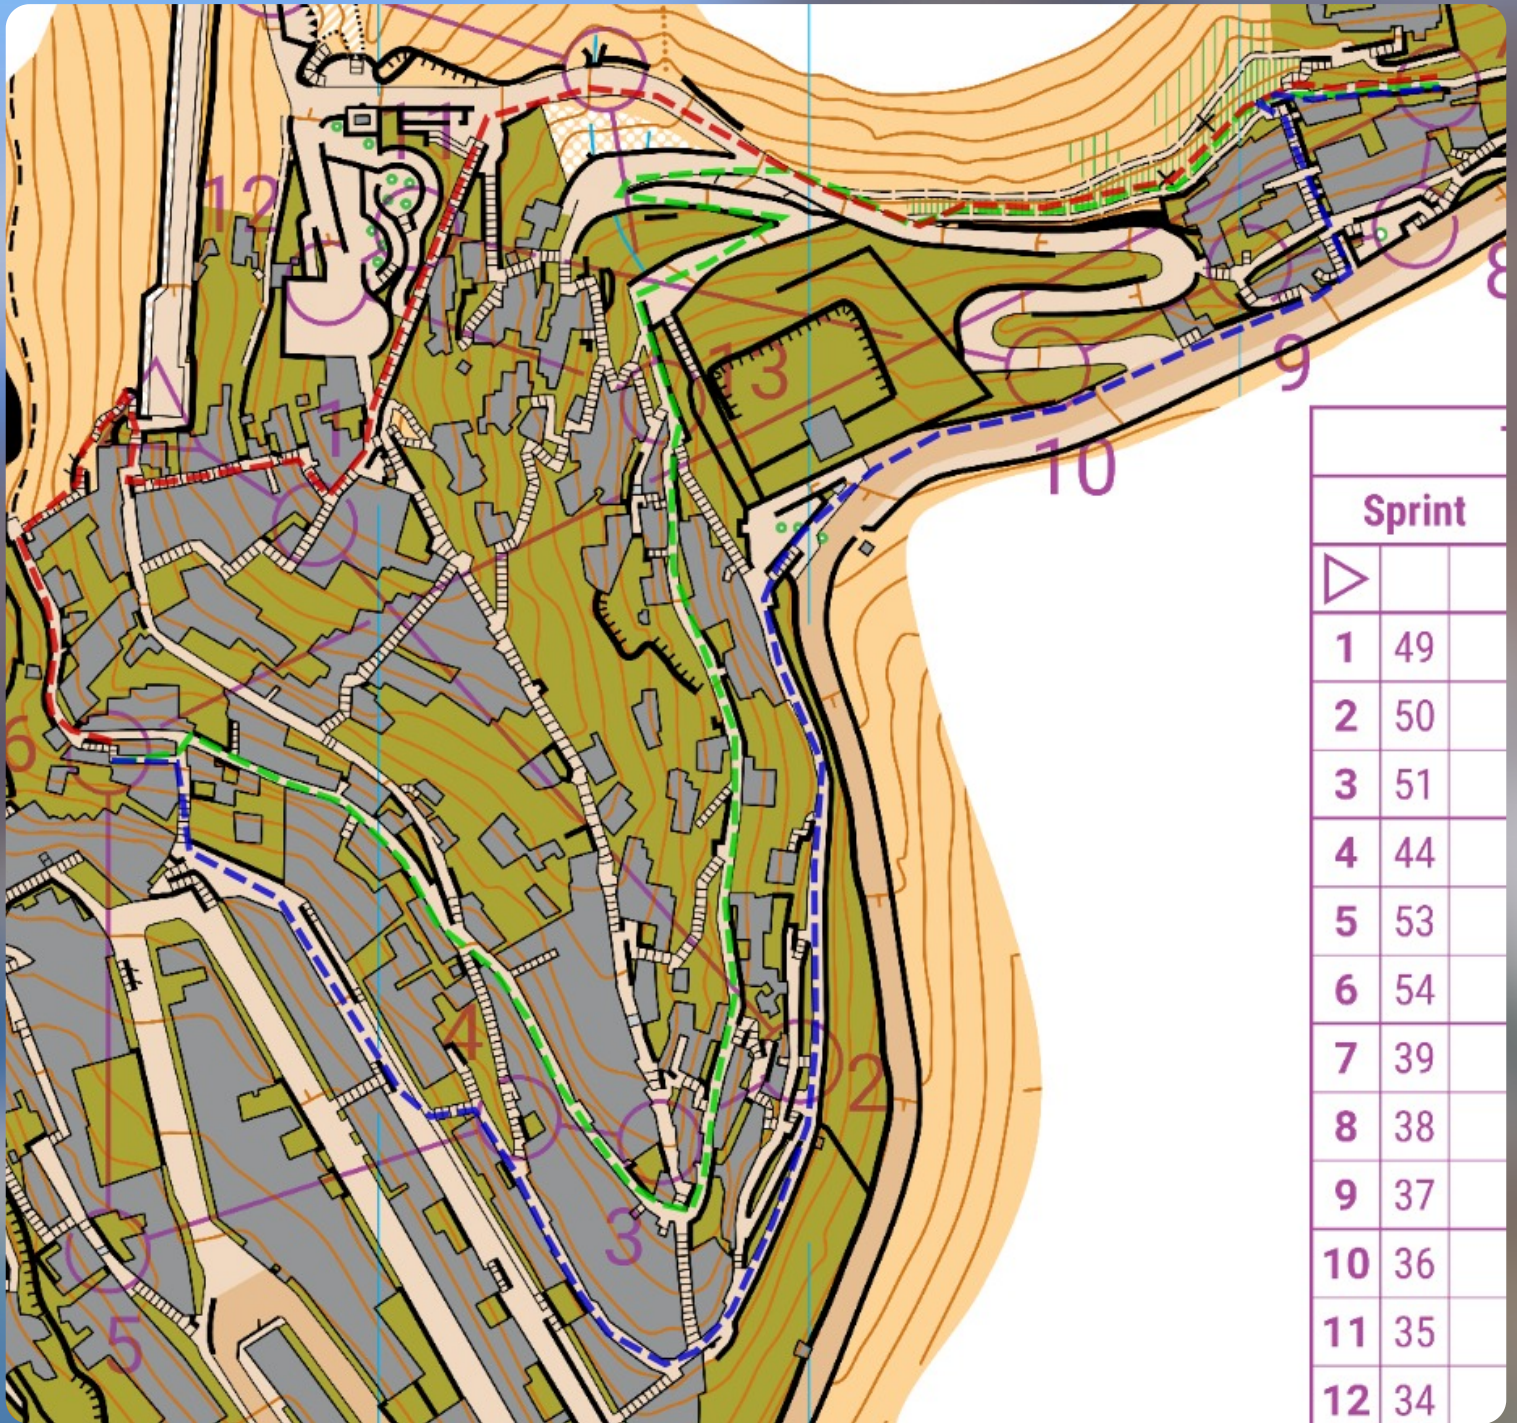

134m

113m

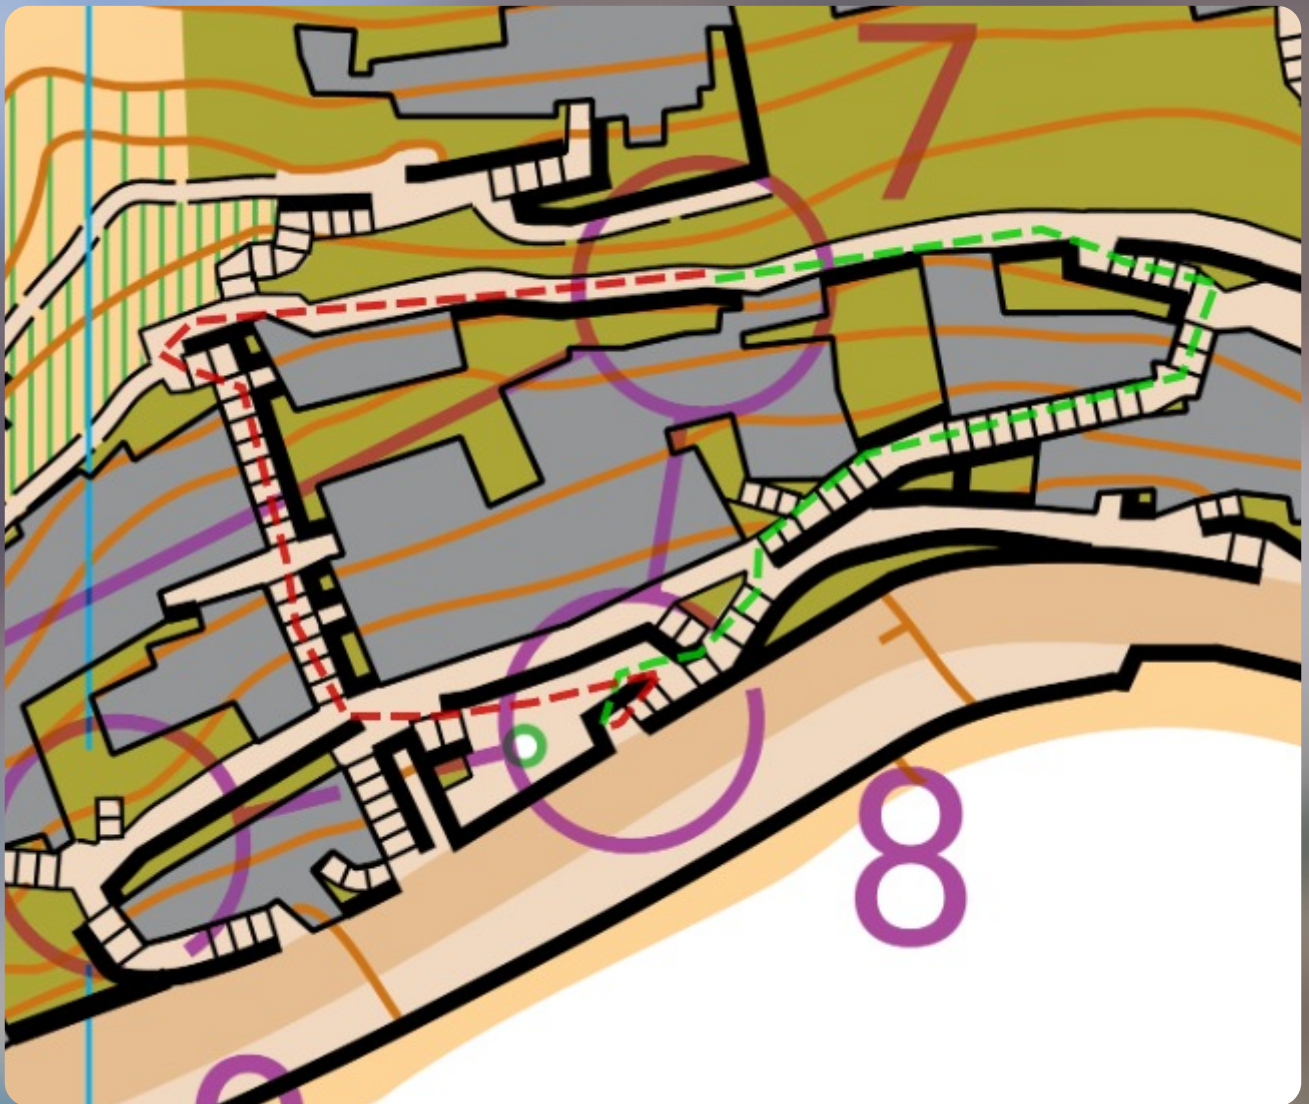

234m

269m

619m 457m 583m

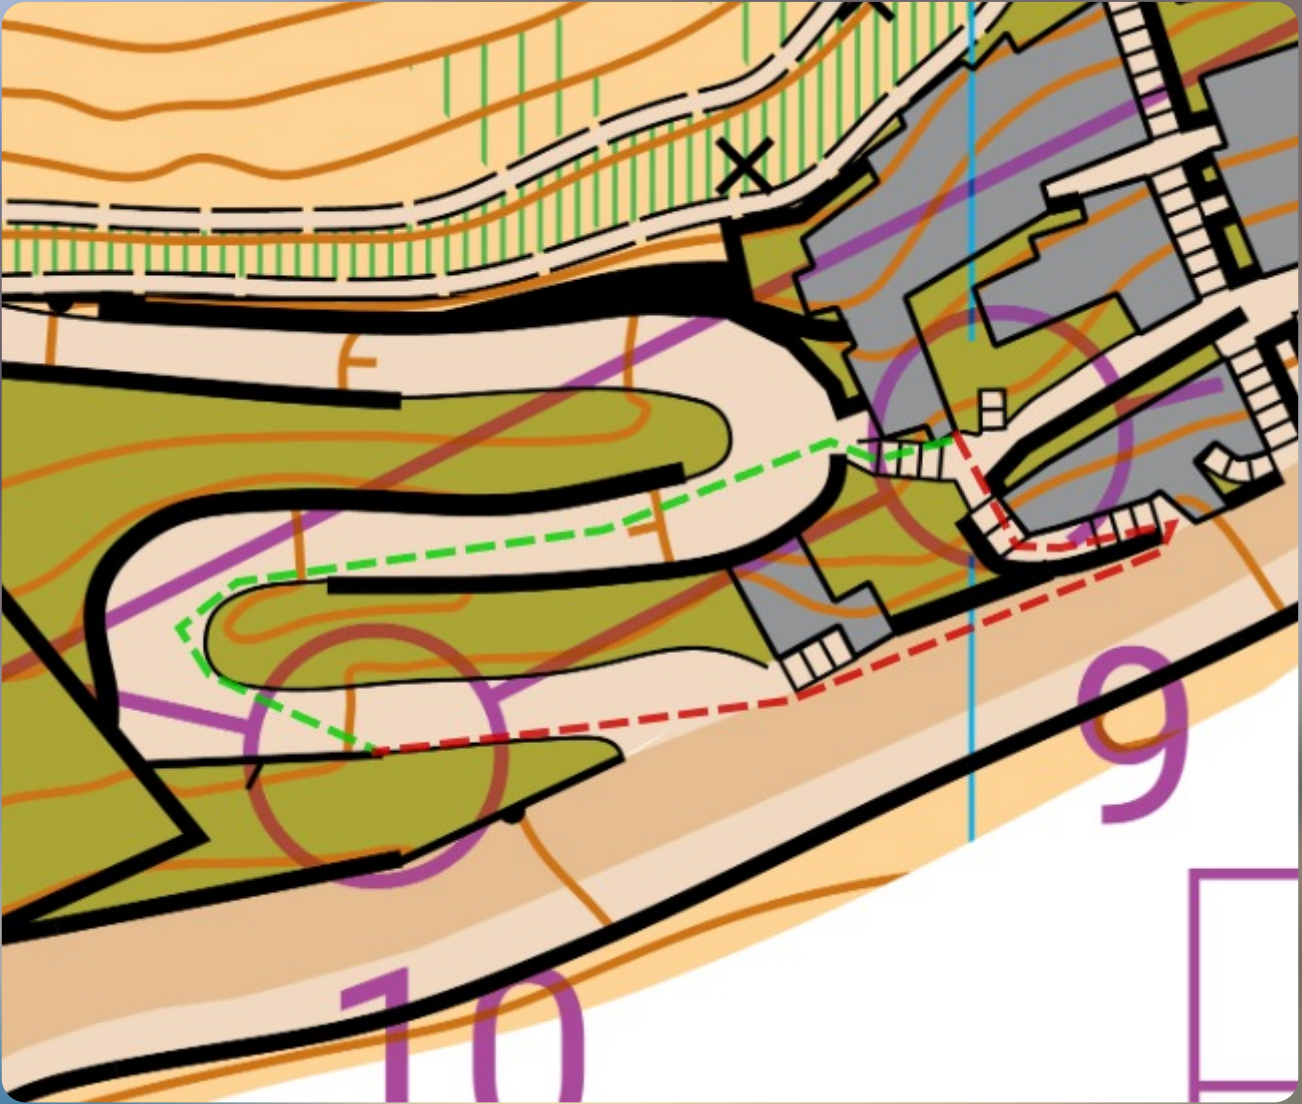

Route like blue avoids climb, and by running 130 meters extra to red, you avoid 50-60m of climb

91m

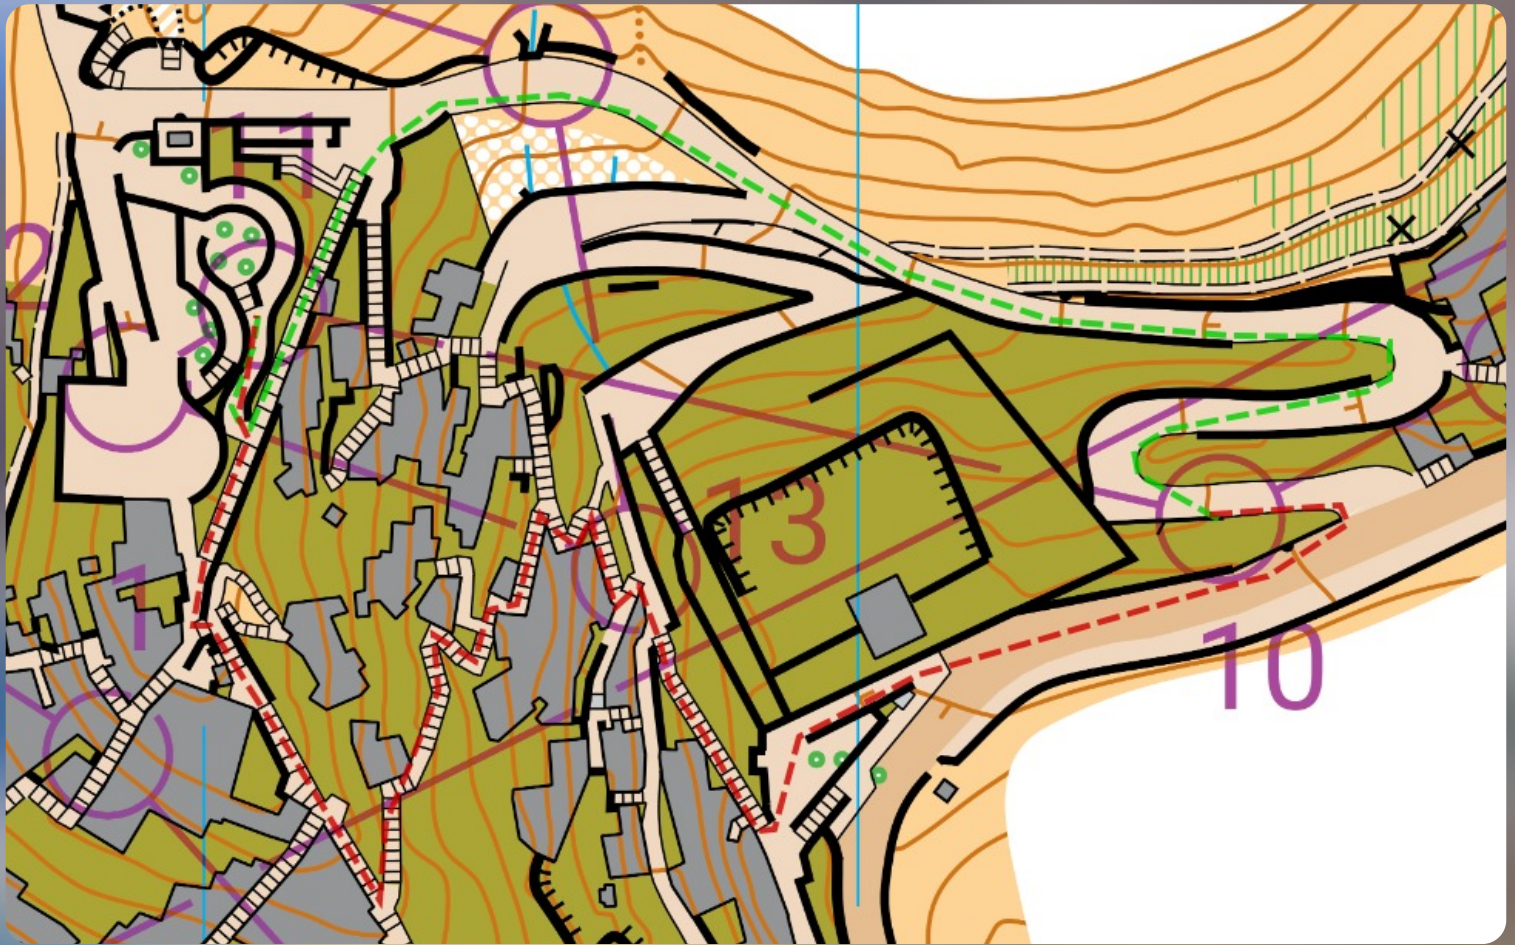

94m

Taking green stairs may provide more runnable stairs - being slightly faster

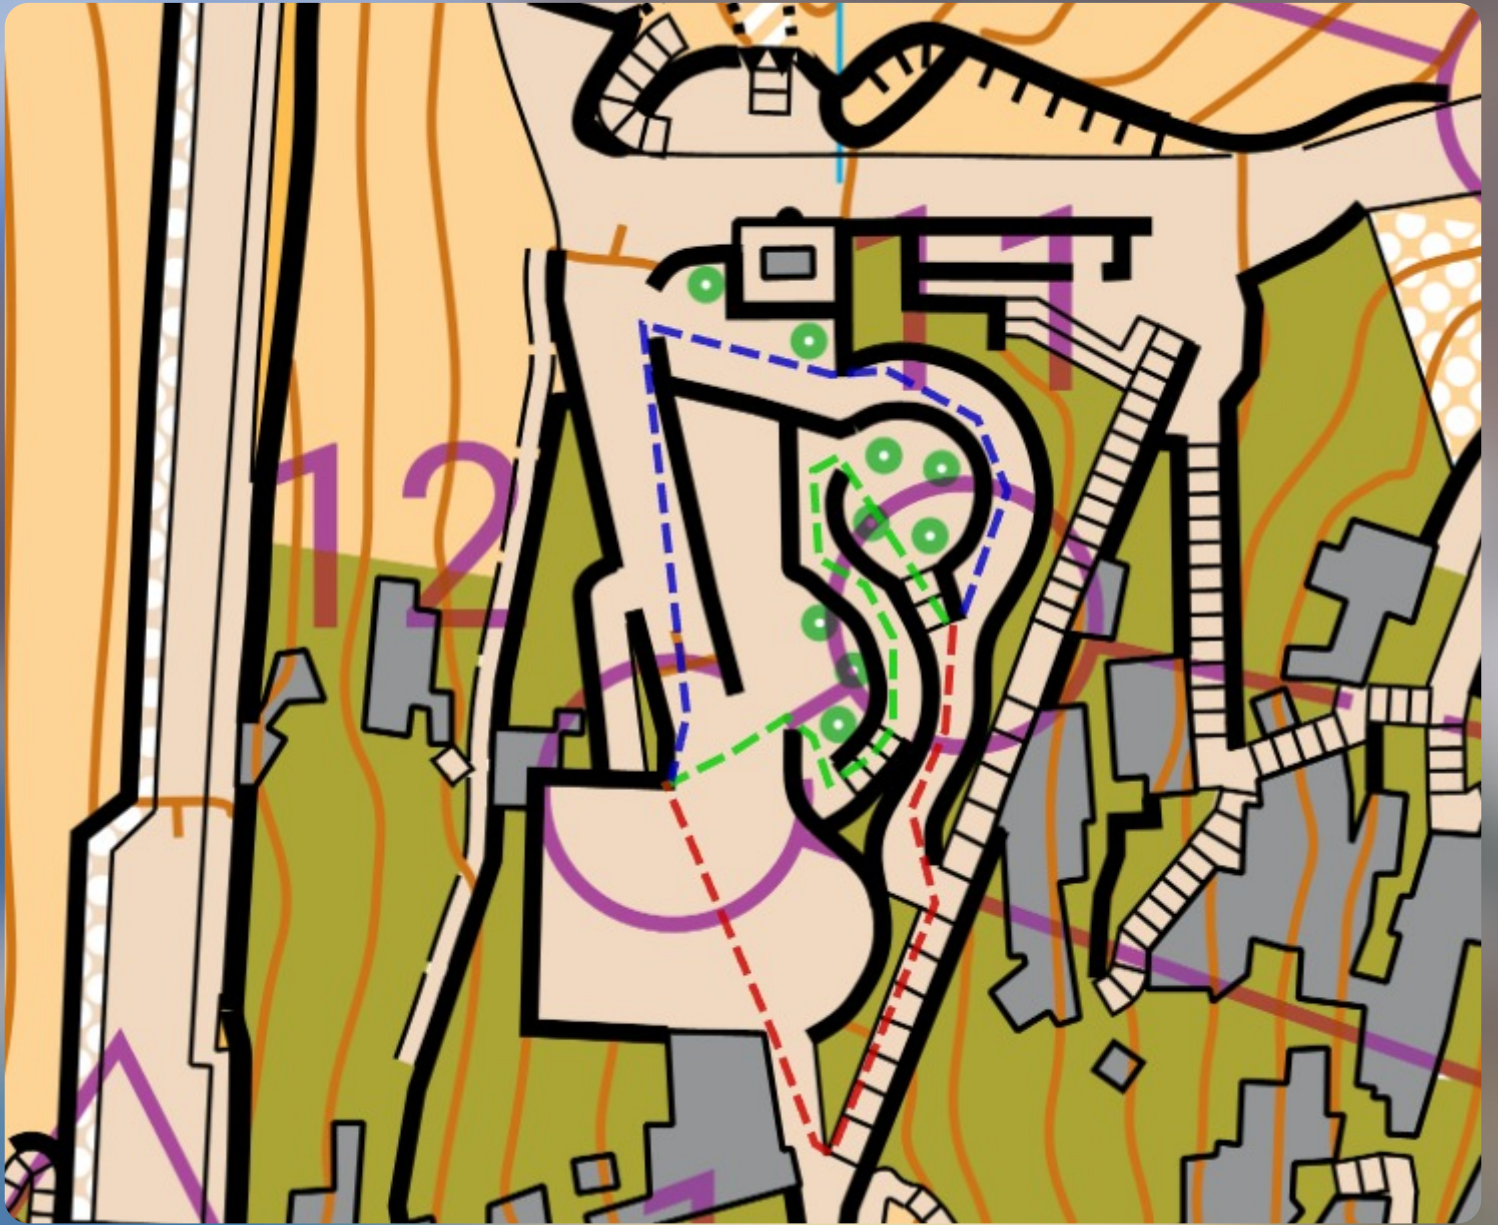

71m
